Dear PHA Members,

This Finals has been created by the Directors of the National Professional Horsemen's Association as a way to help support the local PHA Chapters and their local horse show circuits.

As an organization of and for the benefit of professional horsemen, we felt there existed a need to promote those riders who choose to compete at the local level. We believe that we have indeed produced a special event where the spotlight shines on one ring only.

In addition we are proud to be including the National PHA Medal Finals. This class carries over a 50 year tradition of excellence for which the Professional Horsemen's Association has been known.

This horse show will also help the National PHA to continue to provide financial aid to equine professionals. The organization issues death benefits, scholarship aid to professionals & their dependents, & financial aid when our professionals incur sickness or injury. Each year 100% of the proceeds of this event will be donated to our scholarship program and to our Aid to Members Fund. Throughout its existence the National Professional Horsemen's Association has been able to give out thousands of dollars in support in a direct response to the needs of our members.

We hope you'll join us for the weekend.
